DRIVING

DVD version

- “I Could See It Coming” Defensive Driving 17:50 min
Contains: Power Point Presentation, DVD, CD-ROM, an instructors guide, handouts available at cost.
- “I Could See It Coming” Defensive Driving -DVD 17:50 min
If you have employees who use step vans, autos or cargo vans on the job, it is important for you as an employer to teach them about the unique handling skills needed to safely operate these vehicles. Handouts available at cost.
Available in Auto, Cargo Van and Step Van versions –please specify version.
- “On the Job: On the Road” – Pharmacists Mutual production – 45 –60 min
video or DVD, CD-ROM, leaders guide, certification of completion aimed at delivery drivers and off-site healthcare workers audiences
- “Safe Backing and Parking” DVD 18:20 min
- “When Weather Goes Bad” DVD 15 minutes
- “Why Do We Drive the Way We Do?” DVD, CD-ROM 13:50 mins
This program is designed to help you conduct a training session to ensure employees recognize they are professional drivers and need to operate vehicles with professional attitudes and professional defensive-driving skills.
- “Crash Course: Vehicle Incident Reporting” DVD 16 minutes
Drivers must understand the reporting process and their role in it. This program has been designed to provide that training in a self-study format, combining video, reading and discussions with your manager or supervisor. Learning the information presented in this program will enable you to perform the activities necessary to allow your manager to conduct effective vehicle incident investigations.
Self-Study Workbook and Leader Guide

The National Safety Council offers a number of driver training resources. One of the most convenient is the DDC on-line course, which is available for \$41.95 per driver.
